ABOUT OUR DELI

A Declaration of Independence... and a pledge of friendliness still going strong

BOB'S MARKET is dedicated to the proposition that not all stores are created equal. Despite the competition and pressures exerted by large supermarket chains and warehouse stores, we are committed to the community in a way that can only come from a family-owned business. Bob's Market offers unmatched personalized service, the highest quality produce and meats, and an outstanding selection of fine wines curated by our resident wine maven, Rick Rosenbloom. Our approach to the deli is no different.
